When I look back at the 6 months of Blissful Life Programme I realize that I was in a very special environment. It was simple, unpretentious, naturally happy. I was accepted as I was. I loved the knowledge. I enjoyed every moment of my program. I learned to look into my experiences and understand them. My life on the Mother Divine Programme was organized, simple, happy, all dedicated for spiritual evolution.—L.C., Israel

The Blissful Life program allowed me to enjoy the deepest program ever. A different world opened up for me as my deepest fatigue was dissolved. I came thinking I would stay for 1 or 2 months, maybe 6 months if I liked it. It has been 2 years now.— G.L., South Korea
